

ADVANCED MEDICAL STRATEGIES

This information is an excerpted drug from PredictRx. The full directory is available exclusively to members only.

The screenshot shows the AMS website home page. At the top left is the AMS logo. Navigation links include PredictDx, PredictRx, ImplantDx, and Reporting. A search bar is located at the top right. The main content area features three columns: PredictDx (tagline: Claims → Costs → Diagnosed), PredictRx (tagline: Specialty → Drugs → Diagnosed), and ImplantDx (tagline: Real → Implant → Costs). Each column has a 'Get Started!' button and a brief description of the service. A 'Live Chat' button is visible in the bottom left corner.

The screenshot shows a 'Drug List' table from the PredictRx directory. The table has three columns: Trade Name, Generic Name, and a search icon. Below the table is a pagination control showing 'Show (1 - 10 of 486)' and page numbers 1 through 49.

Trade Name	Generic Name	
Abraxane	Paclitaxel (nanoparticle albumin bound)	Q
Actemra	Tocilizumab	Q
Acthar (HP Acthar Gel)	Repository corticotropin injection	Q
